SUMMER CAMP

About IJGA

IJGA is a world-class junior golf academy based in the heart of America's best golf courses near Orlando, Florida. We elevate your love of golf to help you take your game to the next level.

History

We pride ourselves on being the oldest independent golf academy in the United States. We've also evolved over the years to provide top-notch facilities, coaches, and educational curricula to help you succeed in golf and in life.

Many IJGA players have succeeded at high levels of NCAA collegiate golf and in the professional ranks.

Mission

Our mission is to build and inspire excellence of golf skill and character. We serve golfers ages 10 to 19, from both the United States and abroad. Our main goal is to provide you with a well-rounded camp experience so that you can learn new skills, meet friends from all around the world, and have a lot of fun!

The IJGA camp experience will be one you never forget!

IJGA Summer Camp Dates

Our summer camps run every year when academic schools typically take breaks for three months. Camps run weekly, with a Sunday arrival and Saturday departure. Campers follow the same routine as our academy students, have access to the same coaches and facilities, and receive world-class training.

We highly recommend at least two weeks of summer camp to get the most out of the IJGA experience.

Save the Dates

IJGA Core, Elite, and +English summer camp programs run from early June to mid-August every year.

Our Campus

The IJGA campus is in the heart of Central Florida, offering an exceptional golf training experience. Not only will you have access to the best junior golf coaching program, but also the top training facility and amenities in the United States.

Campus Location

26945 Bella Vista Drive

Howey-In-The-Hills, Florida 34737

Lake Harris forms a beautiful backdrop for our 17-acre training facility and on-campus housing.

Orlando Areas

Located in Howey-in-the-Hills, Florida, our facility is on the shores of Lake Harris, about 40 miles northwest of downtown Orlando. The city of Orlando itself boasts 24 golf courses, and 39 within 20 miles of the city, making our summer golf camp a premier destination for junior golfers looking to hone their skills.

IJGA summer campers have easy access to world-class shopping and theme parks for extracurricular activities.

What You'll Do Here

IJGA offers Core, Elite, and +English summer camp programs for junior golfers of any skill level.

CORE CAMP

A fantastic option for golfers of any skill level. Campers will receive full days of instruction with a video swing analysis, mental and physical conditioning, and a take-home plan to further their instruction. College planning and club fitting can be provided on an as-needed basis, and campers can receive an IJGA golf bag if they stay multiple weeks.

ELITE CAMP

Elite camp offers a more intensive program aimed at higher level players. Campers will receive full-day instruction, including Swing Catalyst video analysis, Trackman, Coach Now reporting, physical and mental conditioning, and a comprehensive take-home plan. Club fitting and college planning are also included on an as-needed basis. This is a minimum two-week program and includes an IJGA golf bag.

+ENGLISH CAMP

Our +English camp includes English courses for campers who need to brush up on their English language skills.

Coaching

The IJGA campus is in the heart of Central Florida, offering an exceptional golf training experience. Not only will you have access to the best junior golf coaching program, but also the top training facility and amenities in the United States.

Golf Coaching

Our coaches take a multi-faceted, customized approach to every junior golfer who attends summer camp. The program is individualized to meet the unique needs of every camper by assessing all areas of their game and providing a practical and simple plan of improvement.

Focuses

The coaching program has 4 areas of focus: technical, fitness, mental and on course or strategic performance coaching.

- **Technology:** using cutting edge golf technology like Swing Catalyst and Trackman to efficiently analyze the golf swing and accelerate improvement
- **Classroom Instruction:** Course situations and mental training
- **Fitness Training:** Indoor and outdoor facility, training techniques to do at home
- **On-Course Practice:** Learning strategic skills to improve scoring
- **Tournaments:** Summer events at IJGA to put your skills to the test

Extracurricular Activities

Summer campers train, eat and play as a group. Our staff also takes campers into the Orlando area for weekend trips to world-class theme parks and shopping. We may also eat out some nights or spend some time fishing on the shores of Lake Harris.

Why I Should Go?

Why attend IJGA's golf summer camp? Our results and student testimonials speak for themselves.

TESTIMONIALS

"They care about their students and allow students to thrive in any environment possible."

Cynthia Tu

"Having the golf course and driving range practice facility right next to your house is a huge positive.... The food is great here."

Hiroshi Tai

"I really enjoyed being able to live on the course.... Another thing that was big for me was having better food. Definitely one of the best things here is having access to coaches during practice. There's always a coach around who can help me."
